# International Meeting on Robotic Living Donor Kidney Transplantation

Naples (Italy), May 29<sup>th</sup> 2024  
Federico II University Hospital

## Post Meeting Hands-on Course

Naples (Italy), May 30<sup>th</sup> 2024  
Center of Biotechnologies "Antonio Cardarelli" Hospital

Chairmen: *Prof. Roberto Troisi - Prof. Roberto Montalti*

## MAY 29, 2024

- 08:30-9:00 Registration and Welcome coffee
- 09:00-9:30 Opening of the meeting and introductory words  
*Prof. M. Lorito*, Rector Federico II University  
*Dr. G. Feltrin*, CNT Rome  
*Dr. A. Corcione*, CRT Campania  
*Dr. G. Longo*, CEO Federico II University Hospital  
*Prof. G. Esposito*, President School of Medicine  
*Dr. G. De Simone*, Chairman Anesthesiology and ICU  
*Prof. G. De Palma*, Director Medico-Surgical Dept.
- 09:30-11:00 **Live streaming from OR: Robotic Living Donor Nephrectomy**  
Chairs: *U. Maggiore*, *G. Rompianesi*
- Presentation of donor and recipient cases  
*G. Rompianesi*
- The burden of end-stage renal disease and the opportunities of living-donor kidney transplantation  
*R. Carrano*
- Advances in immunosuppressive therapy and long-term outcomes after kidney transplantation  
*U. Maggiore*
- Minimally invasive living donor nephrectomy  
*L. Furian*
- Chairs: *L. Furian*, *G. Rompianesi*
- 11:00-13:30 How to successfully set up a robotic living donor nephrectomy program  
*C. Bhati*
- Outcomes and results of robotic living donor nephrectomy  
*D. Broering*, *Y. Elsheikh*

## MAY 29, 2024

- Twenty-years history of a RAKT program  
*E. Benedetti*
- RAKT: technical notes and Italian scenario  
*F. Di Benedetto* - *P. Magistri*
- 13:30-14:30 LUNCH BREAK
- 14:30-16:00 **Live streaming from OR: Robotic Living Donor Transplant**  
Chairs: *E. Benedetti*, *R. Montalti*
- Robotic living donor nephrectomy: a comparison between right and left  
*L. De Carlis*
- Robotic living donor nephrectomy: (re)-live surgery and technical remarks /1  
*F. Di Benedetto*
- RAKT: Tips and Tricks  
*C. Bhati*
- 16:00-16:30 COFFEE BREAK
- Chairs: *R. Montalti*, *R. Troisi*
- 16:30-18:00 King Faysal Hospital RAKT Program  
*D. Broering*
- University of Maryland approach to RAKT  
*C. Bhati*
- RAKT and high BMI patients: can we do more?  
*E. Benedetti*
- 18:00 Closing remarks  
*R. Troisi*

## MAY 30, 2024

### POST-MEETING HANDS-ON COURSE

**RAIN - Robotic Academy Intuitive Naples**  
Center of Biotechnologies "A. Cardarelli" Hospital

- 08:30-16:00 Technical briefing with staff and proctors
- Animal 1:**  
robotic nephrectomy  
backtable/flushing  
robotic autotransplant
- Animal 2:**  
robotic nephrectomy  
backtable/flushing  
robotic autotransplant
- Animal 3:**  
robotic nephrectomy  
backtable/flushing  
robotic autotransplant
- Animal 4:**  
robotic nephrectomy  
backtable/flushing  
robotic autotransplant
